## Project Volunteer

How you can help

## **Project Volunteer - We need you!**

Are you interested in becoming a volunteer?

Project Volunteer is setting up a bank of volunteers. We will offer volunteers support and direct them to the areas where they can offer the most assistance and obtain the most satisfaction from what they are doing. This could be within Sussex Oakleaf or with other services.

The project will support, manage and supervise the volunteers as well as offering the volunteers themselves a valuable and rewarding experience.

To find out you could be involved in this exciting opportunity, please contact Sue or Harriett.

### **Contact Details**

Head Office: 01444 459517
